

Turning Government & Community Initiatives Into Organized, Executable Solutions

Project management, program support, administrative services, housing and workforce solutions, and operational support for government agencies, educational institutions, and qualified partners.

CORE COMPETENCIES

Project & Program Support

Coordinating projects, schedules, deliverables, communications, and day-to-day program activities.

Administrative & Operational Support

Keeping programs and projects organized, documented, and moving forward.

Housing & Community Support

Support for housing, community development, and workforce housing initiatives.

Workforce Solutions

Coordination, participant support, and training administration for workforce programs.

Compliance & Documentation Support

Organizing records, documentation, reporting, and contractual requirements.

Contract Personnel & Staffing Support

Coordinating qualified personnel for added operational or admin capacity.

DIFFERENTIATORS

- **Accountability** — responsible for the work within our scope and meeting contractual requirements.
- **Organization** — strong documentation, communication, scheduling, and follow-through.
- **Responsiveness** — clients always know where things stand and what happens next.
- **Adaptability** — our approach is built around actual scope, not a one-size-fits-all model.
- **Integrity** — we pursue work we're qualified for and partner with specialists when needed.

PAST PERFORMANCE

Goldway Project Solutions is a growing government-services division backed by Goldway Capital LLC and leadership experience across mortgage & financial services, real estate, insurance, and regulated transaction management — industries built on accuracy, accountability, and deadline discipline. Contract references available upon request as engagements are completed.

INDUSTRIES BEHIND OUR TEAM

Mortgage & Financial Services · Real Estate · Insurance · Compliance & Regulatory Processes · Client Onboarding · Transaction Management · Documentation & File Management · Business Operations

CONTRACT VEHICLES

Prime contractor, subcontractor, or teaming partner — structured to fit the requirement rather than a single fixed contracting model.
